

COMMISSION ON HUMAN RIGHTS

CITIZEN'S CHARTER

I. MANDATE

The Commission on Human Rights (CHR) is an independent National Human Rights Institution (NHRI) created under the 1987 Philippine Constitution, established on 05 May 1987 by virtue of Executive Order No. 163.

The Commission is mandated to conduct investigations on human rights violations against marginalized and vulnerable sectors of the society, involving civil and political rights.

CHR is an “A” accredited NHRI, fully complying with the Paris Principles adopted by the United Nations General Assembly in 1995. As an NHRI, the Commission upholds six fundamental characteristics — independence, pluralism, broad mandate, transparency, accessibility, and operational efficiency.

II. VISION

A just and humane Philippine society of persons equal in opportunity, living a life of dignity, and forever vigilant against abuses and oppression.

III. MISSION

As conscience of government and the people, we seek truth in human rights issues and prevent incidence of human rights violation. As beacon of truth, we make people aware of their rights, and guide government and society towards actions that respect the rights of all, particularly those who cannot defend themselves — the disadvantaged, marginalized, and vulnerable.

IV. SERVICE PLEDGE

We, the Commission on Human Rights, believing in the values of Dignity, Service, and Accountability, commit to deliver prompt, accessible, responsive, and excellent public services for the protection and promotion of human rights of Filipino citizens within and outside our country’s borders.

We pledge to:

- 1) Ensure that our services comply with our Constitutional mandates, local and international statutory and regulatory requirements, and universal human rights standards.

- 2) Put the satisfaction of our clients and stakeholders above all others by ensuring that our services are delivered to the highest level of urgency and excellence with the least amount of effort required from them and regardless of their gender, sexuality, ethnicity, age, disability, religious or political beliefs, or socioeconomic standing.
- 3) Continually forward recommendations to the Congress to impress upon our lawmakers the need for a human rights-centered policy development.
- 4) Attend to all applicants, requesting parties or clients who are within the premises of the office or agency concerned prior to the end of official working hours and during lunch break.
